Washstand Collection

Washstands

New for 2018, our washstands are perfectly suited for modern or traditional interiors.

Choose between two styles; the Neoclassical Candella with elegantly detailed legs, or the Edwardian Metallo, which features distinctive joint details. Explore the different basin options, which include a striking Quartz top with an undermounted basin, or one of our generously proportioned Solo basins. This collection is designed by Meneghello Paoletti Associati.
